Lauren, can you also make that piece you did into a one page pdf and send it out to us...that way, we can also email to BID Consortium and others. You could also email to the CDA list.

Pending any other comments, Kevin can you please set up a link for registration on the CDA website as indicated in the document?

P.S. - when is our next Downtown Digest going to be issued. I don't recall one in June yet...? Thx L

Can you give this the once over and suggest any changes?

Once we agree on the final version we will make sure CDA has the registration link operational and will e-mail to all CDA members and post in our upcoming CDA Downtown Digest in both June and July. We will also send an update e-mail once we get more speakers confirmed.

Thx Lauren
